

MULCAHY HEALTH AND SAFETY POLICY

We're serious about keeping everyone healthy and safe through:

Commitment

Providing and maintaining a healthy and safe workplace so Staff are safe at work and go home safe and well each day.

Training

Creating a positive safety culture with a pool of competent people through education and training.

Compliance

Maintaining best practice systems to fulfil all legal and other requirements.

Involvement

Proactively involving staff and encouraging contribution and ownership at all levels in a “no blame” culture environment.

Prevention

Aiming to stop accidents before they happen, by identifying and eliminating hazards, risks and unsafe work practices.

Improvement

Continually reviewing and improving our health and safety systems and everyone's skills and competencies.
